Star Treatment for Gymathtics DVD at Kids Choice Awards

(Tampa, FL) March 30, 2009 – Alexander Ludwig (Witch Mountain), Kyle Massey (Cory in the House), Phill Lewis (Suite Life on Deck), The Clique Girlz, Alison Sweeney (The Biggest Loser and Days of Our Lives) and other celebs competed for a “Get Fit! Get Smart! Have Fun!” contest at Exploromania’s Gymathtics DVD debut at the Celebrity Gift Lounge as part of Nickelodeon’s Kid’s Choice Awards this past weekend.

Exploromania’s Award Winning Gymathtics DVD teaches math and healthy lifestyles and the stars interacted with the kids who starred in the DVD, 5-year-old Felicia, and 9-year-old Aaron Scheiner, brother and sister who live in Tampa, FL and flew to Hollywood with their parents, who developed the DVD. Carrie Schiener, Founder/CEO and mom, said “the excitement generated by these stars was unforgettable and was so inspiring to hear many of them say they would want to share the Gymathtics DVD with their friends and family.”.

Several videos are posted on the YouTube Exploromania channel, where you can see Kyle Massey from Cory in the House and That’s So Raven and Phill Lewis from Suite Life on Deck on <http://www.youtube.com/user/exploromania> and www.exploromania.blogspot.com to see more photos.
